Brother Knights,

Attendance at our recent business meetings has been a little low. We have had cold weather issues and some regulars have been busy but the overall numbers attending meetings is low.

We have a better chance of having a successful council if we spread the word to all our brother knights to attend all meetings and events and build up these numbers.

On the left side of this page is a list of event and meeting dates and times for March. Put it in your schedule to attend as many as you can.

Be proud to be a knight—you do great works for good.

If you have any reasons for not attending such as transportation issues contact me and we will provide it for you.

When can you attend events and meetings?

The **1st Monday** of **EVERY** month is a business meeting and it starts at 7.30pm.

EVERY 3rd Monday of the month is a social meeting it too starts at 7.30. There are always refreshments and your wives/partners are always welcome.

The knights of Columbus is a social organization so the social evening is our night to socialize! *Most social nights will have a speaker or event for our enjoyment.*

Remember that the Order is still true to its founding principles of charity, unity and fraternity.

The Knights was formed to render financial aid to members and their families. Mutual aid and assistance are offered to sick, disabled and needy members and their families. Social and intellectual fellowship is promoted among members and their families through educational, charitable, religious, social welfare, war relief and public relief works.

Note...

Charity—our work should always be focused on charitable works.

Unity—our interaction with each other is focused on friendship and support for **all** officers and members who by their good works, voluntarily giving of their free time for good causes deserve to be respected at all times by all members.

That means **you** should be shown due respect and ap-

plauded for attending events and meetings and you should in turn show due respect to your brother knights for all their charitable works done.

Fraternity—Friendship and support. We need to have a lot of fun alongside our brother knights while helping our charitable and social causes.

Not been to a meeting or event for a while? Now is the time to step up, volunteer, show your best side, be positive, support brother knights who are volunteering their time and talents for the good of us all. If you have a reason for not joining in any of our charitable works then why not? Please call me with your problem so I can help put it right...
