Brother Knights,

We have been busy preparing things for the last swarm of events before the end of this latest fraternal year.

We are holding a homecoming dinner, a ladies appreciation dinner and an awards dinner. Lots of food and hopefully lots of happy people.

A lot of our guys have been working hard providing food for our events this year and I thank you for your tasty food and sterling efforts.

This year many of our members and their wives have worked hard at helping with many various charitable events

such as the special Olympic bowling, fishing rodeo and pancake breakfasts. These events bring out the very best in our members. I think that our Knights do great work when helping others and putting on these type of events.

Our recent meetings have been a little better attended, thanks to all who come to the recent meetings.

Not been to a meeting or event for a while? Now is the time to volunteer and support your brother knights who are volunteering their time and talents.

It is time for Council officer nominations for next year. Do you have the time and the tal-

Grand Knight—Tony Fitton

ents to make a difference? If you are a 3rd degree member of our council please consider running for office.

Vivat Jesus
Tony Fitton. Grand Knight.

Prayer For Unity & Healing

Heavenly Father,

The Cross and Resurrection of Your Son, Jesus Christ, renews our hope that light will triumph over darkness, goodness over evil, life over death. In His love, may Your Son bring consolation and strength to those who suffer. We pray in a special way for those, who, as young people, were abused by members of the clergy, family members, teachers, and others. Impart Your healing and peace to those who continue to suffer as the result of broken trust. Grant to us all the grace to reach out to those who have been harmed in a spirit of love and compassion. Bless us, as with the help of Your grace, we recommit ourselves to growth in virtue and holiness. In Your goodness, Lord, strengthen Your whole Church, both shepherds and flock, so that, living the truth in charity, we may hasten toward that day when Your Son's prayer will be fulfilled, 'that they may all be one.'

Grant this through the same Christ, Our Lord. Amen.
